

CHALLENGE RESULTS THE TREX PLASTIC BAG CHALLENGE

The Top Performing Schools per region are:

- Christopher Farms Elementary (*Northern*)
- Fort Mill Elementary (*Southern*)
- Union Cross (*Central*)

The Bags to Benches program launched on March 10th with a 30-day campaign for schools throughout the seven states Harris Teeter serves. Over 180 schools collected plastic bags and delivered them to their local Harris Teeter to be recycled. Over 2 million bags were collected from local schools and sent to Trex for recycling. Harris Teeter and Trex understand that these bags may have otherwise ended up as litter or in the landfill where they would have stayed for over 500 years!

PLEASE ENCOURAGE STUDENTS TO CONTINUE RECYCLING.

Collected bags can be dropped off at any Harris Teeter!

The winning schools were awarded a Trex Bench (made of 50% recycled plastic and 50% recycled wood) and \$500 to be used for any of your outdoor school improvements or other projects that may need financial assistance.
