

## REMIND YOUR SCHOOL'S SUPPORTERS TO RE-LINK THEIR VIC CARD!!

Over the last 11 years Harris Teeter has donated over \$11.3 Million! We would like to thank all of our schools that support Together In Education (TIE). Without our schools' participation, this would not be possible. We hope that your school will help us have another successful year with TIE.

Please login to your TIE Coordinator section to see how your school is doing this year. If you don't know your login ID and Password, please contact 1-800-432-6111. Let Customer Service know that you need your TIE Coordinator login information.

### Harris Teeter and Together In Education is GOING GREEN!

We are all doing our part to help save the environment. This year most of our TIE communications will be sent out via email.

#### Recycle Fact:

\*U.S. businesses now use about 21 million tons of paper, according to Cleanair.org.\* So please consider the environment before you print an email. Cut and paste to create your own document before you print.

## Campbell's labels for education promotion and contest!

During September for every customer who is linked to a participating Together In Education school and uses their VIC card to purchase participating Campbell's products, Harris Teeter will donate 1 label per unit.

\*For more details please visit [harristeeter.com](http://harristeeter.com), together in education, then bonus programs. Here you can access the rules and poster for the program.

Earn money for schools when you fill prescriptions at Harris Teeter! During the 2008-2009 year, any prescriptions\* that a participating Together in Education customer fills at any of our Harris Teeter Pharmacies will earn the same percentage as all other items for the Together in Education program. Fill your prescription at a Harris Teeter pharmacy and use your VIC card with ALL pharmacy transactions. This is a great way for schools to earn money!

\* Due to government regulations, this offer is not available for supplies or services paid for in whole or in part by any government program, including Medicaid and Medicare.
