# RELINK

**TIE is back in session,  
it is time to RELINK  
your VIC card!!**

Help your school raise money by getting all of your parents, family members and community members to link their VIC cards to your school.

Don't forget to explain to everyone you know exactly how the TIE program works. They must know that only a percentage of Harris Teeter Brand products are donated directly to your school. They will need to be on the lookout for HT brand labels like these shown below:

Be sure they know every time they purchase any qualifying Harris Teeter Brand items, it helps your school earn **CASH**.

## There are several ways to link your VIC card:

- Log onto [harristeeter.com](http://harristeeter.com), click on *Together In Education*
- Customer Service desk
- At the checkout counter
- Call 1-800-632-6111 (number located on the back of your VIC card and also on our Harris Teeter Brand products)

Most importantly make sure anyone you encourage to participate knows **IT IS AT NO COST TO THEM.**

*Teachers of Excellence*

## IS BACK!

Schools have an opportunity to win \$1,000, plus an additional \$1,000 prize for the teacher. Nominate a teacher in your school. Please don't forget to ask your parents and faculty members to help.

**Teachers of Excellence** is a great way to reward a teacher that is doing an outstanding job, plus get your school recognized on our website, local newspapers and in various communications throughout the year.

Visit the **Teachers of Excellence** section on [harristeeter.com](http://harristeeter.com) for more details.
