

2011-12 Harris Teeter Together In Education “WE THINK GREEN” Official Rules

Effective February 1, 2012 through March 27, 2012, these Official Rules govern the Harris Teeter Together In Education (TIE) “We Think Green” Program. Harris Teeter reserves the right to make changes to these Official Rules at any time. Please check www.harristeeter.com for any updates or changes. Your participation in the Harris Teeter TIE “We Think Green” Program indicates acceptance of these Official Rules.

Eligibility

The Harris Teeter “We Think Green” Program is open to any accredited public or private school that is participating in Harris Teeter’s Together In Education school fund raising program, based on the 2011-12 TIE Rules and Regulations (rules can be found at www.harristeeter.com), containing any class with students from Kindergarten to 12th grade, within the Harris Teeter trade area that is organized and primarily operated for educational purposes.

We Think Green- Program Rules

The “We Think Green” contest provides your school the chance to earn cash by collecting plastic shopping bags and recycling them at Harris Teeter. Bags from any store will be included in this program, not only Harris Teeter shopping bags.

- Items that will **NOT** qualify are items such as bubble wrap, shrink wrap and other industrial plastics, judged by a Harris Teeter Store Manager as disqualified.
- You must use a **30 gallon plastic bag** to collect your individual bags in. Every **30 gallon plastic bag** that your school fills will equal **1 bin**.
- Your school should select one (1) Harris Teeter store for the bag drop off; this will be the **ONLY** store your school will use for the entire length of the program. Harris Teeter stores will keep a bag log for each school. The store will submit the submission forms at the end of the contest.

How the contest will work: The five (5) schools that collect the most bins in each of our three (3) regions will win. Region breakdown will be available on our website. There will be a 1st, 2nd, 3rd, 4th and 5th place prize winner. 1st place will receive \$1,000; 2nd place will receive \$500; and 3rd, 4th and 5th place will each receive \$250.

Payments

Checks will be made payable only to participating schools based on their registered TIE information for the 2011-12 TIE year. Payments will be paid within eight (8) weeks from the end of the contest.

Qualifying Materials

Bags from any store will be included in this program, not restricted to Harris Teeter shopping bags. Items that will **NOT** qualify are items such as bubble wrap, shrink wrap and other industrial plastics.

Redemptions and Program Deadline

In order to receive credit for the recycled bags, they must be brought to your designated Harris Teeter. Submission forms will be kept at Customer Service so be sure to initial off on these forms. All qualifying submissions need to be turned in, to your designated store by March 27, 2012. Any submissions that are made after the deadline will not count towards the contest. We will gladly accept any materials that you have collected, but the collected items will not be submitted for the contest.
