Gnocchi with Fresh Tomato Sauce

2 large fresh tomatoes
4 cloves garlic, minced
4 tablespoons extra virgin olive oil
1 (1-pound) package Delallo Potato Gnocchi
about a cup of fresh basil
course salt and freshly ground pepper
parmesan cheese, for garnish

In a large food processor, add the two roughly chopped tomatoes. Pulse until very smooth and silky. In a large skillet, heat the oil over medium. Add the garlic and sauté for about 30 seconds, until fragrant. Add the tomatoes to the skillet, a good pinch of salt, and about half the basil. Simmer this on a medium low heat for roughly ten minutes, letting the sauce come alive. Add the boxed gnocchi to the sauce and let it simmer another five minutes uncovered, until plump and tender. Garnish with extra basil, a fresh grind of pepper and a little parmesan cheese.
